Debtor)

MOTION TO COMPROMISE CLAIM

Now comes the Debtor, by and through counsel, and respectfully represents to the court as follows:

1. This case was filed on July 21, 2006, and on December 21, 2006, the court confirmed the Debtor's chapter 13 plan.

2. Schedule B reflects the Debtor's ownership of a 2000 Dodge Stratus, subject to a lien listed on Schedule D in favor Rivers Edge Investment Co. in the amount of \$5,328.00. Rivers Edge subsequently filed a secured claim in the amount of \$4,838.75. According to the Chapter 13 Trustee, the present outstanding balance upon this claim is \$1,173.53.

3. On or about June 24, 2008, this vehicle was involved in an accident, with the resulting damage to the vehicle being greater than the value of the vehicle.

4. The Debtor's insurer, Permanent General Assurance Corporation, has declared the vehicle to be a total loss. They have offered to settle the Debtor's claim for damage to the vehicle for the amount of \$2,061.48 (which takes into consideration the insurance deductible allowance). See Exhibit "A", attached.

5. The Debtor believes that the settlement is fair and equitable, and wishes to accept the insurer's settlement offer.

6. Therefore, the Debtor respectfully moves the court for an order permitting him to settle his claim with Permanent General Insurance Corporation upon the stated terms, and that from such settlement funds he be allowed to tender directly to Rivers Edge the outstanding due them.

WHEREFORE, the Debtor respectfully moves the court for an order permitting him to settle his claim with Permanent General Insurance Corporation upon the stated terms, that from such settlement funds he be allowed to tender directly to Rivers Edge the outstanding due them, that Rivers Edge Investment Co. be ordered to release its lien upon receipt of payment, and for such other relief as the court deems just in the premise.
